TERMS OF AGREEMENT ANNEXURE

(To be read in conjunction with Post n Rail / Shutters R Us Standard Quotation)

The above quotation/s to supply and install products are predicated on the following assumptions that will be provided, guaranteed and / or made good by others at no cost to Post n Rail / Shutters R Us

1. All adjacent surfaces including tiles, paving, walls etc required to be spoilt during installation will be made good.
2. The fixing surfaces are structurally adequate for Post n Rail / Shutters R Us purposes. e.g. brick work reinforced, timber joists, steps, flooring, stud walls act. Blocked out.
3. Any off form surfaces will be rectified including rough concrete, losing fixings, out of plumb or out of level structures.
4. Clear and adequate unhindered access to all work faces.
5. All linings or coverings to be removed as required for Post n Rail / Shutters R Us fixings.
6. All formed radii to be accurate, should rolling require manipulation, the contract will be subjected to addition charges.
7. 240 volt power provided as required by Post n Rail / Shutters R Us.
8. Damage to Post n Rail / Shutters R Us products and installations by others, weather malicious or accidental, will be subject to recompense.
9. Secure areas provided and allocated exclusively for the storage of Post n Rail / Shutters R Us products.
10. The contract sum to be adjusted for visits to site when the site is not ready contrary to advice given
11. Vertical lifting, hoists, cranes etc.
12. Scaffolding and / or safety screens and barriers.
13. Provision of accommodation including site sheds, ablutions etc. if required
